A four-bedroom home in Washington state averages \$404,638, according to new data from Coldwell Banker. But results, as they say, may vary. Here are the average listing prices in nearly 60 Washington markets for four-bedroom, two-bath homes (some towns don't have enough listings to show up here). For more on regional wealth, check out "Where the Money Lives" in next week's Puget Sound Business Journal and [online](#).
